YOUR FLEET DATA.

FleetWave Lite software manages all your fleet data in one place - simplify admin and record-keeping, speed up data retrieval and make sure compliance regulations are met.

FleetWave Lite lets you...

KEEP YOUR BUSINESS COMPLIANT

without hours of manual work or laborious administration tasks

MONITOR VEHICLE USAGE including key metrics

like mileage, fuel consumption and vehicle downtime

SEE DETAILED MAINTENANCE RECORDS at the click of a button -

and even set reminders for ones that need servicing

ACCIDENTS through incident reporting and

MANAGE

status tracking

DRIVERS with checks for compliance, charges and fines

ORGANISE

streamline transactions and even help to reduce emissions with green initiatives

TRACKFUEL

CHARGES

1,387

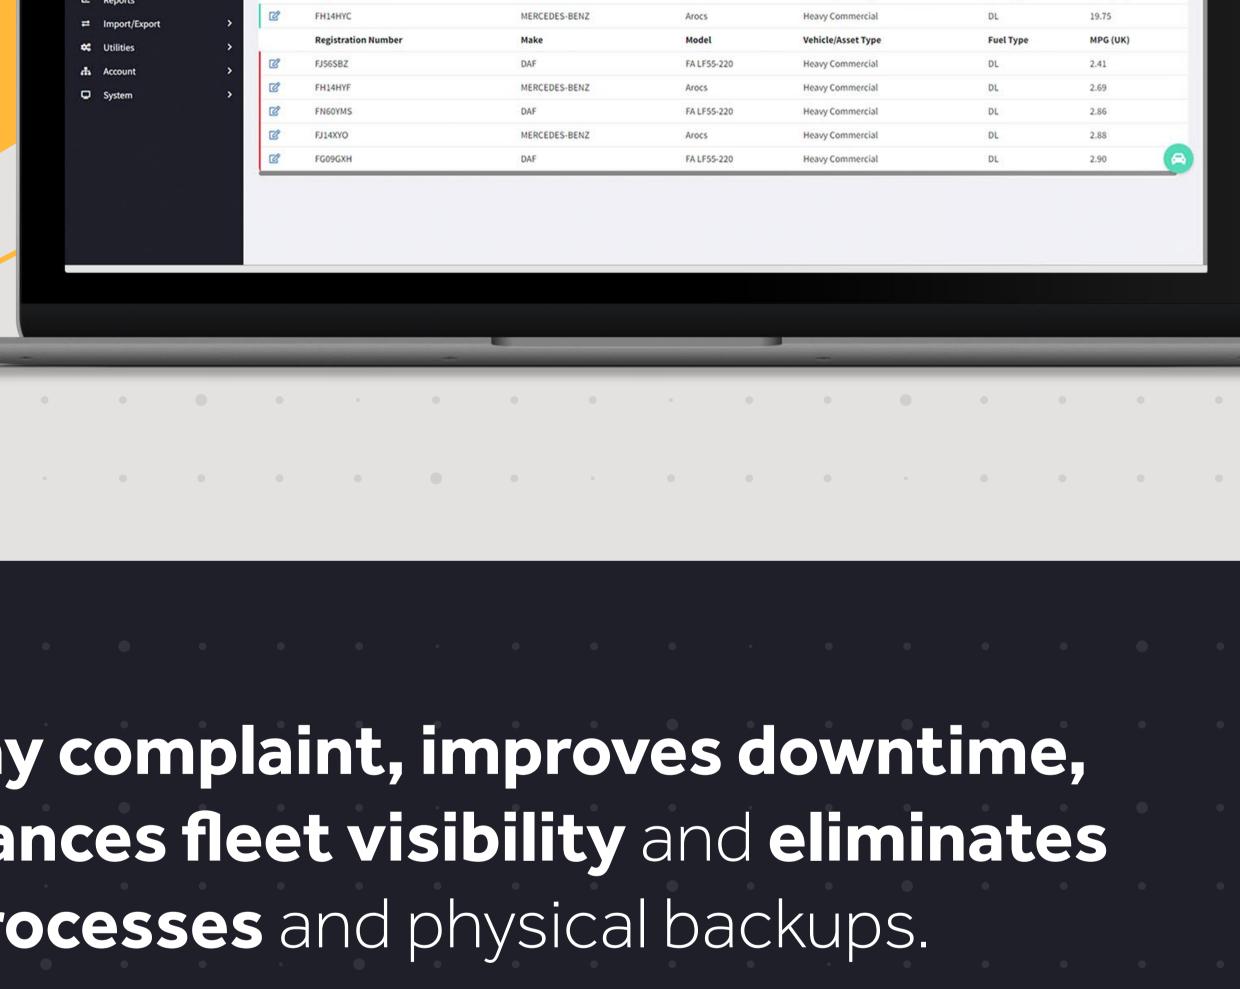

MPG (UK)

PLUSVIEW ALL OF YOUR FLEET'S COSTS

Distance Travelled over Month by Year

in a single, easy to

understand report

FleetWave Lite helps you stay complaint, improves downtime, increases productivity, enhances fleet visibility and eliminates the need for paper-based processes and physical backups.

All for just £3 per fleet vehicle each month.

We understand that your fleet is the core of your business. If it stops, everything stops.

As a global business, delivering software across 180

About Chevin

countries, we have over 30 years' experience providing leading technology solutions, designed to keep your fleet moving. We currently manage over a million vehicles

and assets across the world, so you know you're in safe hands.

With us by your side, you'll be able to take your fleet and your business - further.
